## Kitchen disco

*Prepare your home for a party long before you send the invitations out, with a space that's as much for dancing and drinking as it is for cooking up a storm*

A neon piece by the artist Tracey Emin throws an atmospheric glow over this kitchen, designed by Madrid-based Luisa Olazábal's studio ([luisaolazabal.com](http://luisaolazabal.com)). Spacious and multifunctional floor-to-ceiling cabinetry provides plentiful storage, while the twin islands and stools upholstered in Mallorcan fabric – for similar, try '236 Green Olive' ikat, approx £61 per m, Teixits Vicens ([teixitsvicens.com](http://teixitsvicens.com)) – add to the hedonistic nightclub vibe ▶
